BOARD DIVULGES NAME

Oklahoma Central University to Be Citation of Methodists Undertaking

"Oklahoma Central University" is the name chosen for the new Methodist hesitution of learning to be built in Tulsa. Bisnop E. D. Mouzon, now of Dallas, but who is to move to Tulsa shortly, announced the naming of the "Daby" in an address before directors of the chamber of commerce at the weekly meeting at Hotel Tulsa Priday noon. Virtually the entire university committee, which has full authority over its location and construction, alterded the director's meeting. In

altended the director's meeting. (In the committee are Bishop Mouzon, Rev. I. S. Barton of Tulsa, Horace Barnard of Tulsa, Rev. John B. Abernathy of Okmulgee, Judge Prlando Swain, mayor of Okmulgee, Dr. B. E. L. Morgan of Oklahoma, City, Judge T. M. Robinson of Altus, Rev. J. W. Simms of Chickasha and Dr. T. P. Howell of Davis.

The committee first considered using the name of Tulsa in connection with the university. Bishop Mouzon said, but later it was decided that this word might cause an attended the director's meeting.

Mouzon said, but later it was decided that this word might cause an inference that the scope of the university was limited. So it was made Oklahoma to imply it was an Institution of statewide importance. The word "Central" was used to denote that efforts of the M. E. church, South, over their entire south, and more especially all over Oklahoma, will be centralized upon the college to be located here. There are appreximately 700 pulpits and 65,000 members in Oklahoma.

"While owned and controlled by the M. E. church, we want it to be known that this university will be open at all times to persons of every denomination. We intend to make it a Christian university, but not a sectarian institution.

sectarian institution.
"The support of every Methodist is behind this college. Recently we raised \$1.000.000 for the Methodist Centenary. If that much can be done for missions, how much more can we do for this university? We will start with \$1,000,000 invested in

will start with \$1,000,000 invested in buildings and grounds, and an endowment of \$1,000,000."

Oklahoma Central University will be a combination university and college, Bishop Mouson stated. It will offer degrees in law, medicine and theology. There are about 1,000 students at the Southern Methodist university at Dallas, and only 100 are taking advanced courses.

Because of the industrial and livestock exhibition campaign and she proximity of the holidays, the chamber of commerce, which promised so acres of land near the city for the university, has been somewhat retarded in making a selection, the special committee of the chamber stated in a letter to Bishop Mouson Friday, the letter being read at the meeting. An extension of time was asked, which was granted by the university committee.

ALLEGED BURGLAR **GETS 5-YEAR TERM**

Negro Sentenced to Granite on Conviction of Revolver Theft

Found guilty of second degree burglary. Clifford Schofleld, a 18-year-old negro boy, was sentenced to serve five years in the state reform school at Granite by Judge Red-mond S. Cole in district court after the jury before which the case was tried returned its verdict fixing the punishment. punishment.
Schofield was arrested at a local

Schofield was arrested at a local pawnshop while in the act of pawning a revolver stolen from Fred H. Payne, 1411 Admiral boulevard, on July 14. The prisoner at that time told the arresting officer, Henry Carmichael, plainclothesman, that he was the owner of the weapon.

At the trial, Schofield denied making any such statement and in his defense declared another negro had given him the revolver with instructions to pawn or sell the weapon and keep half the proceeds. Judge Cole, in sentencing the negro, todd the latter that while his story might be true, the fact that he was associating with thieves and assisted them in disposing of stolen property, placed him on the same footing as he would have been had he actually stolen the revolver.
